RAISING STANDARDS. INSTALLING TRUST.

Tilt & Turn Windows are an extremely versatile option for your home.

With one turn of the handle, the window can be tilted inwards, allowing a room to 'breathe' while still providing a barrier against the elements.

With the second turn, open fully inwards for maximum fresh air and a luxurious sense of space - seamlessly connecting you with the world outside. What's more, you can effortlessly clean the outside of the window, indoors.

Deceptively simple in appearance and operation, Tilt & Turn windows have no

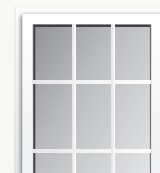

outward-opening parts, maintaining the clean lines of your home whether tilted, opened or closed. Available in either Fully Sculptured or Bevelled with a range of glazing styles and a variety of woodgrain and colour options, there's a Tilt & Turn window to suit any home.

Boasting the same, superior energy and acoustic-insulation ratings of VEKA's other double and triple-glazed PVC-U window systems, Tilt & Turn windows from your local Network VEKA member can help to minimise outdoor noise and significantly reduce your heating bills.

Naturally, all Tilt & Turn windows come with the long-life, low-maintenance and insurance-backed guarantees you would expect from Network VEKA.

Leaded and Georgian bars

The design of your windows and doors has a big impact on the overall appearance of your home. Consider the age of the property and the style of its original windows – were they leaded or featured Georgian bars, for example? With Network VEKA you have the opportunity to retain such period features within the design of your modern, PVC-U replacement windows.

Customer Satisfaction is crucial to our organisation, it's what our reputation is built upon.

Network VEKA collates feedback from every single customer, to see how good a job its members are doing.

Filling in and returning your customer satisfaction questionnaire not only lets Network VEKA know how happy you are, but also activates your insurance-backed guarantee.

Be honest, our reputation is important to us!

"I believe in the honesty and integrity of this organisation and its members."

Steve Davis OBE
Network VEKA
Brand Ambassador
